Things To Note:

From now until the close of business day July 13th, you can go down to the Real Manage office to pick up your amenities access card at no cost. If your account has anything other than a zero balance, you can make payments at that time to bring your account to current— a requirement to obtain your access card. Additional cards/replacement cards are available for \$50, however we are currently negotiating some of the fees attached in the hopes that we can bring the cost down in the future.

**Real Manage Office is located at
12500 San Pedro Ave #325, San Antonio, TX 78216**
